

GOJO® HAND MEDIC® Professional Skin Conditioner

Moisturises and conditions skin.

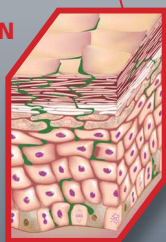

HEALTHY SKIN

Healthy, well-conditioned skin retains more moisture and is less likely to absorb and react to incidental exposure to irritants.

DAMAGED SKIN

Tiny cracks in the surface of damaged skin permit natural oils and moisture to escape and allow outside substances to irritate and potentially enter the bloodstream.

Help maintain skin's natural moisture level

GOJO HAND MEDIC Professional Skin Conditioner is part of a complete hand care regime to help prevent dry hands and help maintain employee skin condition.

- Designed to help maintain skin's moisture level
- Use before work, after hand washing and at night
- Absorbs quickly with no greasy after-feel
- Dermatologist tested
- Silicone-free and fragrance-free
- Food tainting test EN 4120: 2007 compliant. Suitable for use in Food Service/Manufacturing environments.

GOJO brand products are part of a complete line of gentle and effective hand hygiene products. For more information, call **+44 (0) 1908 588444** or visit www.GOJO.com/unitedkingdom
